90/008,330 and 90/008,330, Patent No. 6,988,138 currently being reviewed by the Central Reexamination Unit, Office of Patent Legal Administration.

Applicants would like to make the United States Patent and Trademark Office aware of a web site (http://en.wikipedia.org/wiki/History_of_virtual_learning_environments) to which anyone is permitted to contribute content. The web site purports to provide a history of virtual learning environments. Because of the very large number of references permitted by hyperlinking of content and the dynamic nature of this site, Applicants have not reviewed all documents that are directly or indirectly referenced on this site. However, Applicants have made a good faith effort to review some of the documents referenced on the site to identify any relevant and material documents for submission. However, none of the documents on this website that have been reviewed by Applicants appears relevant or material to a determination of patentability. Applicants make no representations as to the accuracy of the information on the website or the provenance of the documents on the website.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 502624 and please credit any excess fees to such deposit account.

Respectfully submitted,
